

“ My name is Blake Godwin and I come from a 15-year addiction to chemicals and sin. My life was full of destruction in which I hurt the ones who loved me the most, trying to fill a void in my heart only God could fit into. My marriage was in shambles and I barely knew my 3-year old son whom I neglected. Since coming to Dunklin, the Lord has changed my hearts desires; I no longer want to live a selfish life. The Lord has shown me what it looks like to be the spiritual leader of my family and seek Him first in everything I do. After graduation I am committed to Stage 2 to further pursue the Lord and build a stronger foundation in Him, not only for myself, but for my family as well.” - *Blake Godwin*

“ I am Jacob Holdaway. I come from a 16-year addiction to just about anything that would make me feel good. Most recently, my choices brought me to a spot where I had lost all my close relationships. I had become homeless and living out of my car in Houston, Texas. Since coming to Dunklin, the Lord has restored the relationships with my family and I have had contact with my son for the first time in 3 years. I now have hope for the future and I am excited to see what the Lord has in store for me.” - *Jacob Holdaway*

“ My name is Shane Adden and I am 29 years old. For over 13 years I was in my addiction to whatever made me feel good. It was God that brought me to Dunklin. I have always felt there was a calling on my life but could never find the courage to seek after it.” - *Shane Adden*

“ I come from a 22-year addiction to drugs and alcohol. Before coming to Dunklin I destroyed my relationships and pushed everyone away. I abandoned my son, Cameron. Not caring if I lived or died, I wound up in a serious car accident. I spent 2 weeks in the cardiac ICU. After being released, my addiction spiraled out of control to the point I was broken and defeated. I found myself reaching out to Dunklin and pursuing a relationship with the Lord. In this process, God has carried me through, giving me strength and courage.” - *Timothy Fields*

“ For over 15 years I was addicted to whatever I could find to make me feel good. I would lie and manipulate people in order to get what I wanted. I pushed away and hurt every person that cared about me due to my selfishness and insecurities. Since coming to Dunklin, I have truly submitted my heart to Jesus. While here I have learned to be in relationship with Him and others. My only daughter and my family have been restored back into my life.” - *Trent Jones*

“ I am 41 years old and for 20 of those years I have been addicted to alcohol. Through my addiction I pushed my close relationships and even my wife away from me. I became lost and was running out of options for my life. I came to Dunklin to try something different. Since being here at Dunklin my heart has changed and I have a relationship with the Lord. My marriage and all of my relationships have been restored. Today, through God, I have freedom, happiness, and joy.” - *John Stephenson*

“ Before I came to Dunklin I had pushed everyone away who loved and cared for me in my 25-year addiction. I manipulated my family to get what I wanted. Along the way I broke the vows I made to my wife and the commitment I made to my children to be a father. But, by Gods grace and mercy and the journey that led me to Dunklin, the Lord has worked in my life. My marriage, family and relationships have been restored.” - *Wesley Mitchell*
